

BMAC Annual Memorial Ride and BBQ

Please join us for the British Motorcycle Association of Colorado's Barbeque and Ride on Sunday, July 23rd. We welcome members of the Norton Colorado club as well!

This year's ride will again be a Memorial Ride to honor those BMAC members who have passed away, and we celebrate the legacy they created in our club. Please take part in the ride, the picnic, and hopefully both!

The Ride:

- 1) Meet at the Coffee Cup Café in Monument. 251 Front Street**
- 2) Kickstands up and on the road at 10:15 AM.**
- 3) Come early if you want to order breakfast, probably 8:30 or so. The Coffee Cup is known for their breakfast!**
- 4) Gary Hopkins will be leading the group on a 2.5 hour ride, ending up back in Monument at the picnic location, see below.**
- 5) Those coming from the Denver area can catch the group at the intersection of Highway 105 and Highway 67 (just outside of Sedalia) at 11:00.**

The BBQ:

- 1) At Frank Puckett's house, 17040 Mitchell Avenue in Monument. You can access off Highway 105 without going on I-25!**
- 2) Starts at 12:30 but you can come all afternoon. Lots of parking for bikes and cars. Come see the Dunstall Atlas and Dunstall Commando along with Land Speed Racers!**
- 3) Hamburgers and bratwursts and all the fixings.**
- 4) BYOB. We will make a beer run for those on bikes.**
