March 2017

Upcoming Events

See page 11 for the entire official 2017 events schedule. If you have any ideas for the 2017 official schedule, please contact Eric.

Mar 4 (Sat): Museum Tour TBA

Mar 19 (Sun): *Pub meeting* at [Streets of London Pub](#), 1501 E. Colfax, Denver, 2 PM.

April 2 (Sun): *Spring Tech Day* at [Bob Martin's](#), 11838 W. 108th Dr., Broomfield, 9 AM.

Lots of open time to fill if anyone cares to lead a ride. Just email Eric and he will broadcast it to the club.

After being presented with the President's Award for the 4th time Jack uses his new voodoo wand to bless (or something like that) the Norton Club. I guess being a 4 time winner makes him a Norton High Priest with special powers. Jack is a true Norton legend. (Well in his own mind, at least.)

Norton Colorado Winter Banquet

The Winter Banquet is always a highlight of the Norton Club's year. Once again we were not disappointed. We ate, we drank, we made fun of our friends and laughed as usual. I believe a good time was had by all. Tony P's set out a very nice spread of food, enough variety to keep everyone happy and we had our own private bar.

Arnie

The business portion of the evening was handled quickly with unanimous votes to adopt the proposed Charter which outlines how the club is run, elect Arnie Beckman as club president, Eric Bergman as club secretary and Charley Gremmels as club secretary. (Charley wasn't present so we only have Eric's word that she still wants the position. This method of electing absent members as officers is familiar to those of us who have been in the club awhile.) Also on the agenda was the Parts Depot. It is a goal to have it organized and up and running some time this year.

The President's Award once again was claimed by Jack Abeyta who challenged the club to take this coveted prize away from him next year. Several members said they were up to the challenge, we'll see how that works out. Jack also received a special award from Bob Martin, a voodoo priest's magic wand and headress, It is said that these items have magic powers that will help keep Jack's bikes running well. He was instructed to bring his magic powers to all club tech sessions to wave over our Nortons to keep them on the road.

As Eric is retiring from his president's position, Arnie presented him with the "Big Member Award" which is given to a member who goes above and beyond for the good of the club. Eric's acceptance speech offered up some good advice, "You don't need to be kind, you just have to act like you're kind." This was in reference to the fact that the club includes a wide spectrum of people who are not always rational, except, of course, Bob Martin. Big surprise there, we own and ride British motorcycles, where's the rationality behind that?

Finally, as always, we wrapped up with the traditional Gift Exchange. Bob Martin and Amelia Beckman emceed. Gifts included bottles of wine, whiskey and rum. There were motorcycle parts including mirrors, jumper cables, handguards and plugs and plug wires. Other gifts included a Norton Club calendar, a Fire TV stick for interfacing your TV with the internet, a Norton model, a Norton hip flask, books and a chocolate 45 automatic complete with duct tape and ear plugs. Bob suggested it was a good gift for the married guys, chocolate for the wife and earplugs for the husband, not sure about the tape, use your imagination.

Arnie is now the club president and that makes Amelia the first daughter

First Presidential Communication from Arnie

Dear Norton Colorado Members:

On February 4, 2017 the Club held the annual Winter Banquet. During the business meeting portion of the evening the Club voted on some matters and offices that ultimately passed. However, the matters and the different elected officers in reality reflect very little change in the way the Club will operate going forward. As you all know by now Eric Bergman did not seek reelection as Club President. I put my name forth for that office and to my honor my fellow Club members elected me into that position. Charley Gremmels, our long standing treasurer, ran again for her office and again received an overwhelming approval to continue in that position. Eric Bergman will remain a Club Officer as he sought the position of Secretary and won the election for that position. I welcome Eric's presence among the Club Officers as his long standing institutional knowledge and participation in Club activities will serve me well as I "learn the ropes" of Club operations and expectations. As President I do not intend to deviate from the excellent leadership example Eric established over the last several years. Further, I welcome input from all members on concerns regarding Club operations.

Next, the Club passed a formal charter. This document appeared in the last two issues of the Newsletter and it passed a Club vote with no amendments or changes from that previously published version. In reality the Charter will not operate to make changes to the Club on a day-to-day/ride-to-ride, basis. It mostly memorializes the manner in which the Club already operated and established procedures for replacing Officers unable to serve. Importantly it created unelected positions appointed by the Officers to assist in the administrative and daily operations of the Club. The Club engages in a number of activities that require assistance and sometimes specialized knowledge to complete that no one person, or even a group of three, could complete in a timely and effective manner. We routinely rely on the variety of experience and knowledge from our membership to accomplish Club goals and this reality is reflected in the Charter. Eric and I recently met to fill Staff Positions and once individual members affirm they will serve in those capacities that information will be published to Club members. Those positions include Newsletter Editor, Webmaster, Ride Coordinator, Swag Boss, and Parts Depot Despot.

I look forward to serving the Club in the capacity of President. Over the years I have developed great admiration and respect for the Club and its members and have lasting friendships among its members. I look forward to the 2017 riding season with Norton Colorado.

Sincerely,
Arnie A. Beckman

Who is Arnie Beckman?

After the Club elections at the Winter Banquet on February 4, 2017 resulting in the shuffling of Eric Bergman from president to secretary and placing me in the office of the president, I thought some members may want know a little more about me and my family and how we became part of Norton Colorado.

I purchased and rode my first British motorcycle in 1990, a 1973 Triumph Daytona 500, a bike I still own today. That bike accelerated my adult interest in British bikes first sewn by my Dad who rode Triumphs and BSAs during my childhood. Throughout the early and mid-1990s I raced a Triumph 650 in AHRMA vintage motocross open twins class and also raced a BSA Victor 441 in "classic 500" class. I still own both of those bikes as well. My partner in racing, Danny Eilertson, raced a Norton P-11 in the open twins class with me and that bike also survived its race days and now I ride it to Norton Colorado events. My wife Stephanie took over the Daytona in the early 1990s and rode it for many years.

I encountered Norton Colorado riders twice before I ever joined the club. First I met Jack Abeyta at "Davie's Locker", a bar in Westminster, while riding my BSA Lightning in the early 2000s. I instantly liked his personality and humor and he prompted me to download a Norton Newsletter. Not long after that encounter, while riding my BSA on highway 285 approaching Pine Junction I came upon a Norton Commando. We stopped at a bar and the rider introduced himself as Tim Johnson. He informed me of the club he just joined -Norton Colorado - and urged me to do the same.

However, I did not immediately heed Jack or Tim's well founded advice as I did not formally join until late summer 2003 while attending the Kenz and Leslie motorcycle swap meet on my BSA Lightning. At that meet, Ernie Fitzgerald approached me loudly questioning my taste in motorcycles and wondering aloud why I rode an inferior mount. Eric and some others were with him and I instantly felt like Norton Colorado was a club for me. I signed up.

Highlights of my tenure in Norton Colorado include attending the Mancos National Rally in 2009 with my wife and two daughters Lillian and Amelia. My oldest daughter Lillian took her first solo minibike ride at the Mancos rally. Around this time I was first elected vice president and served continuously in that position until this year. During my time as vice president my wife Stephanie and I planned and attended the annual Winter Banquet.

When Eric asked me to seek the office of president I felt apprehensive, as I know the amount of effort Eric put into the position, much of which occurred out of the view of the membership. That he remains in the position of secretary will assure the membership of a seamless transition and that the club will move forward towards more great times on the open roads aboard Norton motorcycles. I look forward to meeting all the members I do not already know and to riding with you all in the year ahead. Thank you.

Sincerely,

Arnie A. Beckman

Old age ain't for wimps

Close to home for some of us? I sure hope not.

Two medical students were walking along the street when they saw an old man
Walking with his legs spread apart.

He was stiff-legged and walking slowly.

One student said to his friend:

"I'm sure that poor old man has Peltry Syndrome.
Those people walk just like that."

The other student says:

"No, I don't think so. The old man surely has Zovitzki Syndrome.
He walks slowly and his legs are apart, just as we learned in class."

Since they couldn't agree they decided to ask the old man. They approached him
And one of the students said to him,

"We're medical students and couldn't help
But notice the way you walk, but we couldn't agree on the syndrome you might have.
Could you tell us what it is?"

The old man said,

"I'll tell you, but first you tell me what you two fine medical students think."

The first student said, "I think it's Peltry Syndrome."

The old man said, "You thought - but you are wrong."

The other student said, "I think you have Zovitzki Syndrome."

The old man said, "You thought - but you are wrong."

So they asked him, "Well, old timer, what do you have?"

The old man said, "I thought it was GAS - but I was wrong, too!"

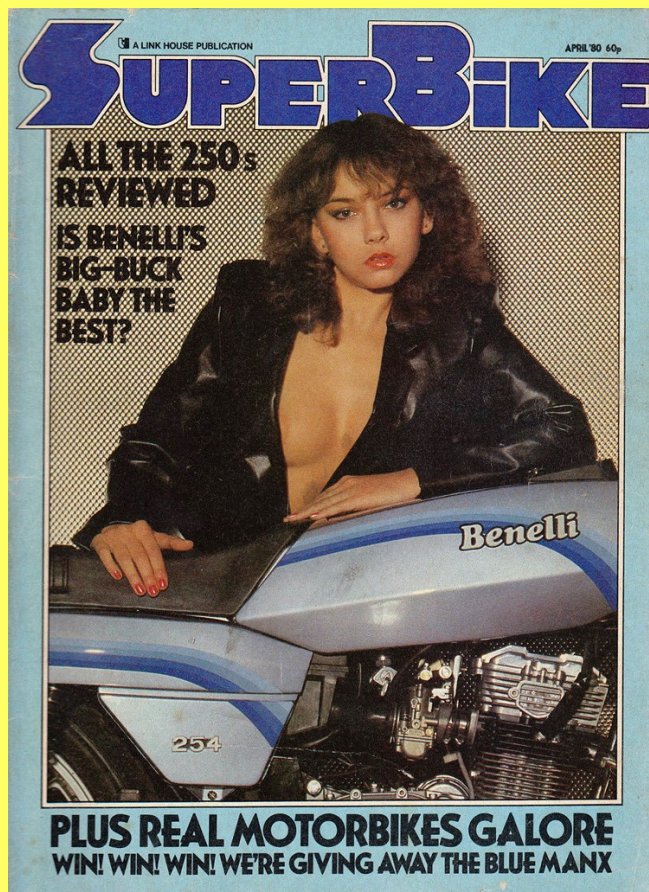

He who shall not be named has been riding his Norton. Will we have a new President's Award winner this year????

Membership

Membership in Norton Colorado is open to anyone, regardless of whether they own a Norton, or any motorcycle whatsoever.

Dues are \$20/ year individual, \$22 for a couple or family unit, payable to "Norton Colorado" and sent to the Treasurer, whose contact information is listed on the last page of this newsletter.

The list printed in this newsletter is the official membership, as understood by the Newsletter Editor on the date of publication of the newsletter. Please let me know if I have made an error.

The membership year begins with the Winter Banquet in February. New members who join after August 1 are credited with membership for the following year.

Club Events

Many events have been scheduled for the 2017 season, usually about 2 per month. Participation in these events will be counted for the President's Award. Events may be added, dropped, or re-scheduled through the year. The schedule can be found in this newsletter or check the schedule on the club website:

<http://www.nortoncolorado.org/meetings.html>

Western Slope Riders

Many Norton Colorado members live in the western part of the state, and finally have noticed that it's inconvenient to ride 500 miles for High Tea on the Front Range. Said members have formed a loose confederation known as the Western Slope Riders, and are having their own High Tea and other fun times.

All Norton Colorado members are welcome at these Western Slope events, so if you city kids want to find out what the shoe feels like on the other foot, plan to ride out and join the Western Slope contingent.

Contact: Charley Gremmels and Steve Harris 970-946-1960.
