Due to predicted thunderstorms, this year's Old Bike Ride was the shortest and fastest of all the OBR's I've been on. It was, however, just as much fun as any other OBR. Seventeen of us, including 6 or 7 Nortons, left Golden and managed to beat out the rain while enjoying a nice ride in the local mountains. We took a shortcut down US 6, but that gave me a chance to see the results of years of construction on that road. So far, so good. The road is well paved with several added turnouts and parking areas near the local hiking trails and fishing holes. A very nice improvement. Thanks to Eric for organizing this year's ride.

From Eric: I want to thank all of you who came out for the Old Bike Ride last Sunday. It was a well-attended event with an excellent turnout of Nortons, including Ron Weaver on his ES2. I have to mention John Cheever riding a very cool 1959 Enfield-Indian 750 (one of two he bought from Arnie Beckman's dad). The ride went smoothly, with a couple minor navigational missteps and a fuel-consumption error that was easily dealt with by the sag wagon. Leading up to this event I found myself wondering if it was still worth trying to organize it, but it looks as if the OBR has a little life left in it after all.

Jerry earned a ribbon for his Norton

Matt's 2 BSA's also earned ribbons.

Bob Herman has some Norton parts to sell:

I have several Commando seats and a tailpiece that I don't need, and I'd like to offer them to club members before going to eBay or Craigslist with them I don't know what to charge but will take less from a Norton Colorado member than from an "outsider."

1 nice Mk3 seat with hinge

1 nice 750 seat

1 Fastback tailpiece - good shape except for a small crack (damaged in shipping, easily repaired)

I'm going to bring them up to Golden, they will be at Eric's house so a club member won't need to drive down here or pay a big shipping charge.

Jesse Carraway mentioned that he recently acquired most of the used parts, and possibly a number of new ones, from Matt Rambow at Colorado Norton Works. Matt is no longer building complete bikes so he doesn't need that inventory. Jesse had previously purchased the inventory of the club's Parts Depot when we lost our storage site and he already had a large inventory of his own parts, so at this point I think it is safe to say Jesse has the largest inventory of Norton parts in Colorado. He is glad to help out fellow club members who are in need:

The Norton experience

You probably first see this masterpiece of shape and grace through the glint of plate glass, or it's magari, maybe being handled by a friend or even worse by someone you don't know. Long before your eyes could see you know that something's coming. You would meet her that never suppressed expectation. Not for you the lady, the temperamental, the Divine Lady, the long flowing hair. You wanted a high flyer with scintillating looks, superb performance capabilities, that could hold on tight even during the most technical tests.

Of course she can also be sexy and gentle like a

putting out, as smooth in motion as a silk on night gown - but only if you're brave enough to move fast with her when you're in a hurry.

Most experiences are filled by the excitement, they become indistinguishable in a world of modern happenings. Only a few remain fresh and exciting as the first encounter - actually they are hard to acquire but well worth waiting for.
